TIME COMMITMENT

The program will run from September 2011 – June 2012. Seminars will take place on one full Friday and one weeknight per month. There will be also be three Saturday seminars during the program. In order to fully benefit from the Executive Fellows curriculum, it is important to note that outside reading and some planning activities with colleagues are required beyond the scheduled seminars. While we understand that working professionals will occasionally miss a meeting due to their full time jobs and obligations, your presence at all seminars and your commitment to the work outside of those meetings will produce the most rewarding experience for you and your colleagues.

FINANCIAL COMMITMENT

Tuition is \$5,000 and is due by the first class in September. Note that a non-refundable \$500 deposit is due upon confirmation of your seat in the class. Tuition may be paid by the participant, employer, and/or another sponsoring organization. Tuition payment plan options are available if necessary.

I have read and understand the time and financial commitments involved with the Executive Fellows Program.
