

**GOVERNMENT PLACEMENTS**

---

**Alex Cárdenas**

City and County of San Francisco, Department of Children, Youth, and Their Families

*Field Faculty: Diana Oliva-Arocha, Violence Prevention and Planning Manager*

Develop recommendations by surveying needs to transition the Community Response Network, a street and violence intervention model, for the City and County of San Francisco. In addition, the Fellow will also track and gather data for the Truancy Reduction Initiative's Strategic Plan.

**Brenda Castillo**

Office of Oakland City Council Member, Libby Schaaf

*Field Faculty: Hon. Libby Schaaf, City Councilmember*

Research and prepare recommendations for a Youth Curfew Policy for the city of Oakland. In addition, the Fellow will conduct an assessment of a Pilot Dog Park Community and develop a database of commercial vacancies within the city.

**Justin Gold**

City of Redwood City, Parks, Recreation and Community Services

*Field Faculty: Chris Beth, Director*

Based on a partnership between Parks, Recreation, and Community Services and the Engineering Division, the Fellow will research best practices for record acceptance and retention of plans, and specifications, in addition to developing evaluation methods for the condition of existing facilities.

**Annie Kim Noguchi**

City of Walnut Creek, Arts, Recreation and Community Services

*Field Faculty: Barry Gordon, Department Director*

The Fellow will make recommendations for the City of Walnut Creek to establish a Cost Recovery and Pricing Policy to help guide the setting of fees for the programs and services offered by the City's Arts, Recreation and Community Services Department. The Fellow will make a presentation of their findings to the department.

**Alejandra Ruiz**

Office of Supervisor Malia Cohen, City and County of San Francisco

*Field Faculty: Andrea Bruss and Megan Hamilton, Legislative Aides*

The Fellow will lead in finalizing and securing approval for the Crisis Pregnancy Center Legislation presented by Supervisor Cohen. In addition, the Fellow will assist the office in evaluating proposals for how to appropriate AB 109 funds.

**Ariel Sweet**

Office of Alameda County Supervisor Nate Miley, County of Alameda

*Field Faculty: Seth Kaplan, Chief of Staff*

The Fellow will update the Community Analysis with Census 2010 data. In addition, the Fellow will also identify and develop a database of organizations participating in a violence prevention collaborative.

**Yannina Casillas**

Office of Berkeley Councilmember Jesse Arreguin, City of Berkeley

*Field Faculty: Anthony Sanchez, Chief of Staff*

Research and analyze current needs in the City of Berkeley to develop policy proposals around a vacancy tax. Research background and draft a policy to be presented before the City Council as proposed legislation.

**W. Daniel Costello Jr.**

Office of Assemblywoman Fiona Ma, California State Assembly

*Field Faculty: Ashley Summers, Intern Coordinator*

Based on self defined interest, the Fellow will develop a policy project which they will use to inform and guide the office. In addition, the Fellow will attend activities, meetings, and events that are related to their project and with the Assemblymember.

**Neel Lalchandani**

Port of Oakland, Governmental Affairs

*Field Faculty: Matt Davis, Governmental Affairs Representative*

The Fellow will work closely with the Port team, the City of Oakland, the private sector master developer, and other key stakeholders to complete a competitive and successful application for major federal funding to support the transformation of the former Oakland Army Base.

**Kelsey Rugani**

Mayor's Office of Housing, Community Development

*Field Faculty: Lariza Dugan-Cuadra, Sr. Community Development Specialist*

The Fellow will assist the Community Development Division Staff in the Mayor's Office of Housing with projects around data collection and analysis. In addition, the Fellow will review grantee compliance, evaluate grantee files, and support staff in community outreach particularly in community and stakeholder meetings.

**Danielle H. Siegler**

Department of Public Works, Project Management

*Field Faculty: Charles Higuera, Project Manager*

Perform research and analysis on the Police Department's stated vision and mission for the planning of the Public Safety Building. Evaluate and provide recommendations around the particular policies that relate and determine the planning of the facilities.

**Minh Dan Vuong**

Public Utilities Commission, Contracts

*Field Faculty: Julie Ansell, Contract Initiatives Manager*

The San Francisco Public Utilities Commission is implementing a new automated system for invoicing. The Fellow will develop and organizational procedure to document the logic behind all fields. In addition, the Fellow will develop a communications plan for PUC to outreach to its users.
